

4th Annual Brain Metastases Research and Emerging Therapy Conference
September 19 & 20, 2014
Marseille, France

Welcome Letter

We are pleased to welcome you to Marseille for the fourth Annual Brain Metastases Research and Emerging Therapy Conference. Last year's successful edition encouraged us to once again organize this conference.

This year the EORTC Brain Metastases platform has also invited the RTOG BM task force, the EANS tumor section board and the ESBB society to foster international collaboration in the field.

This EORTC initiative brings the multidisciplinary approach needed to develop brain metastases projects across several tumor types and disciplines such as breast cancer, lung cancer, melanoma, imaging, pathobiology and radiation oncology. It is expected that this cross-sectional platform will stimulate innovative and insightful research in a collaborative environment and improve the standard of care and methodology of clinical research.

Highlighted topics will cover new model of Academia-Industry partnership and biobanking strategies in BM to enhance personalized medicine strategies in this growing area of interest within the domain of oncology.

Together, the EORTC, Canceropole PACA, GRPCMac, RTOG BM task force, EANS and ESBB have decided to jointly organize the "Annual Brain Metastases Research and Emerging Therapy Conference" which will be held under the auspice of the EORTC. The organizing committee hopes that this meeting will provide an exceptional opportunity for you to share your collective expertise ranging from basic science to new treatments in order to facilitate ongoing studies and lay the foundation for future collaborative projects.

Call for abstract
Details and submission on www.brain-mets.com
Deadline: July 19th, 2014

Posters and oral communications

The best oral communication will be awarded with a 500€ prize and so will be the best poster. The prizes will be given during the dinner on Friday September 19th 2014.

Young Investigator Travel Grant

The Young Investigator Travel Grant is awarded to the three top Young Investigators who are selected to present an oral or plenary poster presentation at the Brain Mets Annual Meeting. Young Investigator Travel Grant recipients will receive € 600 (USA), € 600 (ASIA) & € 300 (Europe) to support travel to the Meeting. These grants will be officially announced and given during the dinner on Friday September 19th 2014.

Eligible applicants must:

- Be the first and presenting author of the abstract
- Be a student/trainee or within five years of completion of a Ph.D., M.D., residency training or equivalent.

Accommodation

- Radisson Blu Hôtel**
 38-40, Quai de Rive Neuve, 13007 Marseille
 Tel. +33 (0)4 88 44 52 00

Scientific program

Friday September 19, 2014

- 08.00 Welcome coffee
- 08.15 Introduction, *P. Métellus, FR*
- 08.30 **Basic Science & Translational Research Perspectives**
CHAIRS: *P. Steeg, USA & D. Figarella-Branger, FR*
- 08.30 Brain metastases preclinical models, *P. Steeg, USA*
- 09.00 Brain metastases and methylation profile, *C. Geisenberger, DE*
- 09.30 Circulating tumor cells and brain metastases outcome in HER2-positive breast cancer patients, *J-Y. Pierga, FR*
- 10.00 Coffee break and visit of the exhibition
- 10.30 **Innovative Trial Concepts**
CHAIRS: *M. Preusser, AUT & Z. Ram, IL*
- 10.30 Innovative trial concepts in brain metastases, *M. Mehta, USA*
- 11.00 Window of Opportunity studies in brain metastases, *J-C. Tönn, DE*
- 11.30 **Integrated Targeted Therapies Strategies (PART 1)**
CHAIRS: *P. Steeg, USA & M. Mehta, USA*
- 11.30 Graded prognostic indices at the age of molecular profiling and targeted therapies, *M. Ahluwalia, USA*
- 12.00 Targeted therapies in BRAF-mutant brain metastatic melanoma patients, *R. Dummer, CH*
- 12.30 Lunch
- 13.00 **Symposium**
- 14.00 **Integrated Targeted Therapies Strategies (PART 2)**
CHAIRS: *F. Winkler, DE & E.C. Moser, POR*
- 14.00 Systemic therapy for breast cancer in the brain: future potential, *D. Cameron, UK*
- 14.30 Targeted therapies and brain metastases in lung cancer patients, *B. Besse, FR*
- 15.00 **Neuroimaging endpoints in clinical trials**
CHAIRS: *F. Dhermain, FR & M. Van den Bent, NL*
- 15.00 Neuroimaging assessment of brain metastases in the targeted therapy era, *M. Bendzus, DE*
- 15.30 **Neurocognition and QoL Assessment**
CHAIRS: *E. Le Rhun, FR & M. Klein, NL*
- 15.30 Chemotherapy-related cognitive deficits in brain metastases, *S. Schagen, NL*
- 16.00 Neurocognitive assessment in BM, *M. Klein, NL*
- 16.30 Coffee break
- 17.00 **Selected oral presentations (PART 1 - 6 x 10 mn)**
CHAIRS: *M. Westphal, DE & J. Jassem, PL*
- 18.00 **Posters session (with guided poster walks, cheese & wine)**
- 20.00 Gala dinner

Saturday September 20, 2014

- 08.00 Welcome coffee
- 08.30 **Selected oral presentations (PART 2 - 6 x 10 mn)**
CHAIRS: *M. Ahluwalia, USA & A. Tallet, FR*
- 09.30 **Biobanking and biomarkers screening**
CHAIRS: *Ch. Chabannon, FR & R. Hewitt, UK*
- 09.30 Heterogeneity of breast cancer anno 2014 with increasing personalized approaches, *V. Tjan-Heijnen, NL*
- 09.45 Biobanking of breast cancer: ultimately leading to prevention of brain metastases, *A. Hoeben, NL*
- 10.00 Coffee break and visit of the exhibition
- 10.30 Biomarkers screening in brain metastases: state of the art and perspectives, *A. Carpentier, FR, P. Métellus, FR & M. Westphal, DE*
- 11.00 Biobank network organisation: best practices, benefits and pitfalls, *J-H. di Donato, FR*
- 11.30 Public-private relationships in biobanking: bottlenecks and roadblocks and potential tools for improvement, *P. Hofman, FR*
- 12.00 What makes a Biobank Network work? Results of a recent survey, *R. Hewitt, UK*
- 12.30 Lunch

Please note that this program may be further refined.
